## About This Collection

Lisa came over at the scheduled time, and ss025 is what followed. No script, just Lisa working the room on her own terms. The nudes photos move at an easy pace, Lisa posing, turning, holding each look for the lens, the light shifting as the set goes on. She strips naked with unbridled confidence, tempting and completely at ease while the camera stays with her through the whole session. Follow the link above to open the full gallery.
