About This Collection

The lifewonders анимации set opens with sivir from league legends in a pizza delivery run, drawn by lyong in a fan drawing style. The gallery mixes webm videos, GIFs, images, and photos, letting the pizza delivery side and the fandom tags carry through the frames. From there the kostosart folder shifts into furotica, фурротика, furry, фурри, фэндомы territory, where an original cat and a unicorn appear alongside a beaver and a salamander.
