About This Collection

A royal decree, drawn by Suppai, meaning @suppainogasuki. The medieval king and queen fuck while an audience watches from the hall, every detail in high resolution. Princess Claire brings her own royal endowment

to the court, and the AI work keeps the linework sharp through the whole 3d sex porno hentai stretch. This futanari scene runs uncensored and ends in a facial, a thick creampie left behind after orgasm from a huge cock. Open the full gallery through the link above.
