

Residents planning to submit a credentials application in July in this cycle receive priority, so that their files for their credential's application can be cleaned up before the July deadline. **Their Annual Report submission deadline is January 31st, with a Supervisor Report deadline of February 14th.**

If in the previous year you completed either a full year of residency or started before March 1st you must use this deadline:

Residents who are not planning to submit a credentials application in this cycle and whose program has a registered start date prior to March 1st in the Annual Report year have an **Annual Report submission deadline of March 15th, with a Supervisor Report deadline of March 31st.**

If in the previous year you started **on or later** than March 1st – see below (this applies to your **FIRST YEAR only**):

Residents whose program has a registered start date of March 1st or later in the Annual Report year have a staggered Annual Report submission:

- a. Training program registered start date of **March 1st – June 30th**, Annual Report submission deadline June 15th, with Supervisor Report deadline of June 30th.
- b. Training program registered start date of **July 1st – September 30th**, Annual Report submission deadline August 15th, with Supervisor Report deadline of August 31st.
- c. Training program registered start date of **October 1st or later**, Annual Report submission deadline October 1st, with Supervisor Report deadline of October 15th.
