NOW RECRUITING · 3-YEAR RESIDENCY · STARTS JULY 12, 2027

Where veterinary dentists are made.

Residency in Dentistry and Oral Surgery at UW Veterinary Care, University of Wisconsin–Madison School of Veterinary Medicine. Designed to meet AVDC residency guidelines and prepare you for board certification.

1,131
dentistry & oral surgery cases per year

~3
surgical procedures every clinic day

3
AVDC diplomates/ OMFS Fellows in direct support

12
weeks per year off clinics for research & board prep

A CASELOAD THAT BUILDS SPECIALISTS

Clinical training in companion animal dentistry and oral surgery, with a typical day that includes:

- About 4 outpatients, 3 surgical procedures, 1 special procedure and 1 inpatient
- Primary surgeon on a broad range of procedures
- Primary case responsibility, including emergencies
- Shared on-call for dental and maxillofacial emergencies

A FULL TEACHING HOSPITAL BEHIND YOU

- More than 32,000 patient visits a year hospital-wide
- 78 board-certified specialists across 17 specialties, including 7 anesthesiologists and 11 surgeons
- CT, MRI, PET/CT, linear accelerator and digital dental radiography

BUILT FOR BOARD CERTIFICATION

- About nine months of protected time, spread across all three years, for research, writing and AVDC exam preparation
- Two first-author manuscripts required, mentored from question to publication
- Daily case rounds with a boarded specialist, plus weekly teaching rounds
- An assigned faculty mentor and written evaluations twice a year
- CE allowance to attend a professional meeting
- Teach veterinary students, with formal teaching-skills training
- Join a four-resident dentistry program within a 70-resident house-officer community

Live and train in Madison

Madison consistently ranks as a top community to live, work and play. Lakes surround the city and campus, and the Memorial Union Terrace sits on the shore of Lake Mendota.

- Bike-friendly, family-friendly, with a university nationally recognized for academics and athletics
- Known for its food scene and the Dane County Farmers' Market, one of the largest in the nation
