About This Collection

Adry tropical cuties arrives with a character design that channels Back to the future, complete with a delorean parked near saks fifth avenue where melanie capitte poses in a simple gal life of pai chan look. Tropical cutie vibes run deep, from a rochy vestido to a life of quick paint and seasonal transitions that keep the back open for more. The future feels close as adry brings more tropical swimsuits, a design of bikinis for small busts, and a fifth avenue edge that mixes asian flair with chan style.
