About This Collection

Sakura takes the frame in this Av4 Us set, and the camera stays close the whole time. The raw handheld look of een sex av4 xyz video runs through every shot, no polish, no cuts away, just Sakura and whatever the room gives her. She works through pantyhose that never come off, a facial finish that goes further than she expected, and the kind of crying orgasm that leaves her shaking. Scroll the full gallery through the link above and see where she ends up.
