About This Collection

Step into the reviewdiscussion about Hotaru's many sides—from Netsuzou Trap's tangled desires to the chuuni corner of supernatural battles. Whether she's a demon slayer or a mischievous trap, every frame teases. This gallery mixes yomeiri romance with Mi2MANGA's chibi charm, plus a Christmas twist: Haganezuka from Demon Slayer rocking an ugly sweater. Hotaru appears in school uniforms, garter belts, and playful poses, blending anime nostalgia with seductive heat. Don't just register—click the link above and see the full gallery.
