Gallery 1 - Zizou and the Arab Spring

About This Collection

We need to write a short enticing description 60-90 words, in the same language as the title "ازای ازود وزنی". Let's craft about 70 words in Arabic. That title is Arabic? We can reuse the exact words as they appear? That's about 3-4 words. " That is natural. We can include "PNG", "Pngtree", "Byed", "Pedroza", "Vives", "Gallery", "Zizou", "Arab", "Spring". We can reuse them as is, but we need to write description in Arabic, so we can embed some of those words (like "PNG", "Pngtree", "Byed", "Pedroza", "Vives", "Gallery", "Zizou", "Arab", "Spring") as they are, maybe transliterated? So we need to include some of those words, perhaps transliterated into Arabic? Must end with a natural invitation to view the full gallery via the link above. Must be 60-90 words. Use plain text, no quotes. They are in Cyrillic and English. Must end with invitation to view the full gallery via the link above. Use the same language as the title: Arabic. Include some of the key words: "PNG", "Pngtree", "Byed", "Pedroza", "Vives", "Gallery", "Zizou", "Arab", "Spring". So key words: "Миллионы", "картинки", "PNG", "фон", "пнг", "рисунок", "бесплатной", "загрузки", "Pngtree", "Byed", "Pedroza", "Vives", "Gallery", "1", "Zizou", "Arab", "Spring". At least 20% of these key words reused. Must reuse at least 20% of key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. Must not use AI-flag words, no markdown, no quotes, no lists, no emojis, no dashes (em or en). Provide plain text only. So description must be in Arabic language. No AI flag words, no dashes, no quotes, no emojis. Actually "ازای ازود وزنی" looks like Arabic transliteration? That's enough. We need to reuse at least 20% of key words (names, nicknames, distinctive terms). " So we need to reuse some of those key words, possibly unchanged. " But must be Arabic. Captions: "Миллионы картинки PNG, фон и пнг рисунок для бесплатной загрузки Pngtree Fo... Also maybe "Millions". Might be Arabic script. Byed Pedroza Vives Gallery 1 - Zizou and the Arab Spring". Use Arabic script for rest.

We need to avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid generic positive endings; end on concrete fact or plain natural invitation. Also avoid "not only X but Y", "At its core", forced groups of exactly three items. Also avoid inflated importance, sales language, clichés like "nestled", "breathtaking", "unforgettable". We'll end with invitation.

We need to ensure no em or en dashes. Use commas or split sentences.

We need to avoid quotes. No markdown.

Let's write Arabic description ~70 words.

Count words roughly. Let's draft:

"معرض ازای ازود وزنی یقدم مجموعة من الصور PNG عالية الجودة مستوحاة من أعمال Byed Pedroza Vives Gallery 1، حيث يلتقط زيزو روح الربيع العربي عبر خلفيات وتفاصيل دقيقة. يمكنكم تحميل الخلفيات والرسومات مجاناً من Pngtree واستكشاف كل تفاصيل المجموعة. لمشاهدة المعرض الكامل يرجى النقر على الرابط أعلاه."

Now count words (Arabic words separated by spaces). Let's count:

معرض(1) ازای(2) ازود(3) وزنی(4) یقدم(5) مجموعة(6) من(7) الصور(8) PNG(9) أعمال(13) من(12) مستوحاة(11) الجودة(10) عالية(14) Byed(15) Pedroza(16) Vives(17) Gallery(18) 1،(19) عبر(25) العربي(24) الربيع(23) روح(22) زيزو(21) يلتقط(20) حيث(26) خلفيات(27) وتفاصيل(28) دقيقة.(29) يمكنكم(30) تحميل(31) الخلفيات(32) والرسومات(33) مجاناً(34) من(35) Pngtree(36) واستكشاف(37) كل(38) تفاصيل(39) المجموعة.(40) لمشاهدة(41) المعرض(42) الكامل(43) يرجى(44) النقر(45) على(46) الرابط(47) أعلاه (48)

48 words. Need 60-90 words. Also we used "Pngtree". The instruction says reuse at least 20% of the key words (names, nicknames, distinctive terms), translating the rest as needed. So we can translate the rest. We used "الربيع العربي" which includes "الربيع" (spring) and "العربي" (Arab). But we need to reuse some key words unchanged: we have "PNG", "Byed", "Pedroza", "Vives", "Gallery", maybe "Pngtree". Actually we used "زيزو" which is transliteration of Zizou, but we need to reuse the exact term? Also need to reuse at least 20% of key words; we already have many: PNG, Byed, Pedroza, Vives, Gallery, Zizou, Arab, Spring (we used Zizou? We used "زيزو" which is Arabic transliteration; is that considered reusing? Need to add more content, but must stay within constraints. Also we used "الربيع العربي" which includes "Arab" and "Spring" as separate words? So using Arabic translations for "Arab Spring" is okay. The key words list includes "Zizou". Might be okay as it's a nickname. Must not use AI flag words, no clichés, no inflated importance. Add some more description about the setting, action, models, etc. That's reusing the concepts but not the exact words. Good.

Now we need to increase word count to 60-90. Avoid clichés. Let's add more sentences describing the models, setting, action. Use plain language.

Add: "الصور تظهر نماذج بأوضاع طبيعية وتعبيرات هادئة، مع تركيز على الضوء والظلال في الخلفيات." Ensure no AI flag words. Avoid "نابضة بالحياة" etc.
