Chat with Flaxar María alien cartoon

About This Collection

We need to write description in English (title is English). Use at least 20% of key words from captions (names, nicknames, distinctive terms). No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Also no "not only X but Y", no "At its core", no forced groups of exactly three items. Must not use em/en dashes, no quotes, no lists, no markdown. Use "because" instead of "due to the fact that". No generic positive endings; end on a concrete fact or a plain natural invitation. Must not use forbidden words. Use "to" instead of "in order to". Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Must end with natural invitation to view full gallery via link above (though no link provided; we can say "view the full gallery above"). No emojis, no curly quotes, no markdown, no bold text.

We must reuse at least 20% of key words from captions. Let's count maybe 10 key words, need at least 2. Key words: names like Sue Storm, Deborah Grayson, Marie Grayson, Mark, Anissa, Omni Mark, Atom Eve, Invincible, Invisible Woman, Invisible Man, Fantastic Four, Venom, etc. Also terms: NSFW, AI, rule34, furry, scat, guro, etc. We need to incorporate at least 20% of these key words. We'll include several.

We must avoid forbidden words. Avoid using "delve". Avoid using "vibrant". Avoid using "testament". Avoid forced groups of exactly three items (like listing three items with commas). So we must not have exactly three items in a list. Avoid using "not only X but Y". Safer to avoid lists altogether. Also avoid using "and" too much? Avoid using "furthermore". Avoid using "additionally". Avoid using "it is important to note". Avoid using "showcase". Avoid using "tapestry". Avoid using "boasts". Avoid using "moreover". It's fine. Avoid using "serves as". Avoid using "landscape". Avoid using "crucial", "pivotal". Avoid "At its core". Use sentences with maybe two items.

We must not use em or en dashes; we can use commas or split sentences.

We must not use quotes (including straight quotes? So avoid using ""). It says no quotes; likely means no quotation marks). Use plain text without quotes.

We must not use curly quotes; also avoid straight quotes? It says no quotes, no curly quotes, no markdown, no bold text. So avoid any quotation marks.

We must not use emojis.

We must end with a natural invitation to view the full gallery via the link above. So something like "You can view the full gallery above." That's plain.

We need to keep language same as title: English.

Now craft description: maybe 2-3 sentences. Must not list captions mechanically. Must tease models, setting, action.

We need to reuse at least 20% of key words. Let's pick key words: Sue Storm, Marie Grayson, Invincible, NSFW, rule34, Atom Eve, Fantastic Four, Venom, Invisible Woman, Invisible Man.

We'll embed them naturally.
