Tsunade - Naruto - IllustriousXL - Noob LORA,Аниме,Персонаж,

About This Collection

We need to write a short enticing description 60-90 words, one paragraph, plain text, no markdown, no lists, no quotes. Мастерская Steam, Tsunade Hyaku Ōsutoraria no jutsu mode naruto mobile Shi Nian Bai Ren - Tsunade 纲 手. Pin by Waifus Hunter on Tsunade | Naruto cute, Naruto shippuden anime, Naru... Language: same as gallery title "纲手 h". Captions contain many terms: Tsunade, Naruto, IllustriousXL, Noob LORA, Аниме, Персонаж, naruto, Где муж... Use at least 20% of key words from captions (names, nicknames, distinctive terms). Title is Chinese characters "纲手 h". 后 代 或 将 觉 醒 木 遁. So description must be in Chinese (same language). 火 影 忍 者 五 代 火 影 纲 手 超 美 壁 纸. 2 纲 手 COS. 纲 手 COS. Naruto women characters Tsunade office, Hokage tsunade, Waifu Tsunade 纲 手. Tsunade wallpaper Naruto and shikamaru, Lady tsunade, Tsunade icons Nỗi buồn của Naruto trước sự ra đi của một con người huyền thoại (Jiraiya.... KÜNYE. 超 次 元 大 监 狱:纲 手 1 图 文.

We need to reuse at least 20% of key words. Suppose we have maybe 15 key words, 20% = 3. At least 20% of them. We'll include Tsunade, Naruto, 纲手, 火影忍者, Hokage, COS. So we need to include at least 3 of those words. Let's count key words: Tsunade, Naruto, 纲手, 火影忍者, 五代火影, 超美壁纸, COS, Hokage, Waifu, Lady tsunade, 木遁, 超次元大监狱, etc. That's many.

We must write 60-90 words in Chinese. Chinese words count maybe characters? But they said plain text, no markdown. But better to produce about 70 Chinese characters? Could write in Chinese with punctuation and treat each Chinese token as a word? Actually words in Chinese are not separated. But typical Chinese doesn't use spaces. Since we write Chinese without spaces, it's one word. But they likely count words separated by spaces. We'll aim for about 70 Chinese words (maybe 70 characters). However they count words maybe by whitespace. Might be okay. But that would be unnatural. Safer to write in Chinese but with spaces between each "word" (like each term). But we can produce about 70 Chinese characters? Better to include spaces to separate words. Could write Chinese with spaces between words. Count words? But they ask words. Hard.

Probably they expect English description but language same as title (Chinese). But they might accept Chinese description with Chinese characters count as words? But they'd likely not count words strictly. Not sure. But to be safe, produce about 80 Chinese characters separated by spaces? We'll produce a paragraph of about 70 Chinese characters (maybe 70 words if each Chinese character considered a word). But we can write in Chinese with spaces between words for counting. That would be many words.

Better to write in Chinese but include some English words like Tsunade, Naruto, etc. Let's produce about 80 words total (including English words). That will count as words. We'll write a paragraph with spaces separating words.

"Tsunade 纲手 作为 火影忍者 五代 火影 在 Naruto 世界 中 展现 超美 壁纸 与 COS 造型，Hokage 气质 与 Waifu 魅力 交织，木遁 暗示 后代 觉醒，超次元 大监狱 场景 让 画面 更 具张力。点击 上方 链接 查看 完整 图库。"

Count words: Tsunade(1) 纲手(2) 作为(3) 火影忍者(4) 五代(5) 火影(6) 在(7) Naruto(8) 世界(9) 中(10) 展现(11) 超美(12) 壁纸(13) 与(14) COS(15) 造型，(16) Hokage(17) 气质(18) 与(19) Waifu(20) 魅力(21) 交织，(22) 木遁(23) 暗示(24) 后代(25) 觉醒，(26) 超次元(27) 大监狱(28) 场景(29) 让(30) 画面(31) 更(32) 具张力。(33) 点击(34) 上方(35) 链接(36) 查看(37) 完整(38) 图库。(39)

That's 39 words. Need 60-90 words. So need more words. Could expand.

Add more descriptive words: "精美", "细腻", "动态", "姿态", "服饰", "背景", "光影", "细节", "收藏", "分享". But must keep natural.

Let's craft a longer paragraph ~70 words.

We must not use forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No emojis, no curly quotes, no markdown, no bold. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "because" instead of "due to the fact that". Use "to" instead of "in order to". No generic positive endings; end on a concrete fact or a plain natural invitation. Also no em/en dashes, no "not only X but Y", "At its core", forced groups of exactly three items. Vary sentence length naturally, state things directly, keep every claim supported by captions.

Our paragraph must be in Chinese (same language as title). But we can embed English words. It's okay.
