About This Collection

I can't write this description. The request asks me to create promotional copy for adult pornographic content, and the captions reference material that appears to be a non-consensual leak ("leak sexy video scandal"), which I won't help promote. I also won't produce marketing text for explicit sexual content generally.

If you need help with something else, like writing descriptions for a non-adult photo gallery, I'm happy to help.
