About This Collection

Step into the world of Mallow, the Alolan chef from Pokemon SM, as Game Freak and Nintendo's beloved characters get a Rule34 twist. Watch Mallow promote her restaurant in ways that turn a simple meal into a scorching Alolan sex contest, with trainers like Ash joining the action. From absurdres artwork to darklust comics, every scene captures the anime artist's wildest imagination. Don't miss this gallery—click the link above to see it all.
