About This Collection

We need to produce a description 60-90 words, in same language as title (English). Probably avoid quotes entirely. Must reuse at least 20% of key words from captions: names, nicknames, distinctive terms. No "At its core". No generic positive endings; end on a concrete fact or a plain natural invitation. At least 20% of key words: need to count? Also avoid using "it is". Must not use forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also no em or en dashes; we can use commas. So no quotation marks. No "not only X but Y". Use plain ASCII quotes? No forced groups of exactly three items. " Must be plain text, no markdown, no quotes, no emojis, no curly quotes. So we need to include words like "raikage", "hinata", "hanabi", maybe "sakura", "boruto", "naruto", "konoha", etc. Must not use inflated importance, sales language, clichés like "nestled", "breathtaking", "unforgettable". Simpler: include a few repeated terms multiple times. Must end with invitation to view the full gallery via the link above. Use simple sentences.

We must not use "because" instead of "due to the fact that". That's okay.

We must vary sentence length naturally. Avoid lists.

We need 60-90 words. Let's craft ~70 words.

Include key words: raikage, hinata, hanabi, sakura, boruto, naruto, konoha maybe.

We must reuse at least 20% of key words from captions. Let's count distinct key words: raikage, hinata, hanabi, sakura, boruto, naruto, konoha, hyuuga, uzumaki, maybe "hentai". We'll include many.

We need to avoid forbidden words. Avoid "delve". Also avoid "not only X but Y". Avoid "landscape". Avoid forced groups of exactly three items: we must not have exactly three items in a list like "X, Y, and Z". Avoid "tapestry". So we can list two items or use "and" only for two. Avoid "crucial". Avoid "At its core". Avoid "boasts". Ensure not using "showcase". Probably they mean avoid constructions like "X, Y, and Z". Avoid "furthermore". Avoid "pivotal". Avoid "moreover". So avoid listing three items separated by commas with "and". Avoid "breathtaking". Avoid "testament". The rule says "forced groups of exactly three items". We can have two items or more than three? Avoid "unforgettable". Avoid "serves as". Safer to avoid listing three items with commas and "and". Avoid "it is important to note". Avoid "boasts". Avoid "vibrant". Also avoid "nestled". Avoid "additionally". We'll avoid three-item lists.

We need to end with a natural invitation to view the full gallery via the link above. So final sentence: "View the full gallery above." That's plain.

Now craft paragraph.

Word count target 70.

Let's draft:

"Raikage meets Hinata and Hanabi in a bold Naruto-inspired scene where the Hyuuga heiress shows her darker side alongside the powerful Raikage, with hints of Sakura and Boruto appearing in the background. The artwork

blends Konoha settings with intense hentai detail, capturing raw action and familiar faces from the series. See the full gallery above."
