About This Collection

This explicit adult fan-art collection mixes full-size Equestria Girls artwork with animated WEBM scenes and original characters. Human Rainbow Dash, Twilight Sparkle, Shining Armor, and anthro OCs Siri Supernova and Synnove appear across suggestive pairings, alternate versions, and a darker grimdark mood, with blush, bottomless styling, and lively action giving each scene a provocative edge. Artist tags including randomtriples, fladdykin, symm, and piesinful add variety to the unsorted mix. View the full gallery via the link above.
