About This Collection

Selena701 is a blonde mature wife who films herself at home, and this set follows her from the bathroom, where she poses naked, to the bed, where the sex games start. She comes back from a walk and settles in, first in white, later in red, with the evening light keeping everything warm. Big boobs, a slow blowjob, pussy licking, feet play, doggy style and missionary fill the amateur 4K clips. Click the link above to see the full gallery.
